2.0 Allowable Emissions

- 2.1 The Permittee shall commence construction by August 4, 2008. In the event that construction of any of these units has not commenced in the time frame specified, this Permit shall become null and void with respect to that unit and all units yet to be constructed. For purposes of this Permit, the definition of “commence” is given in 40 CFR 52.21(b)(9). [40 CFR 52.21(r)]

- 2.2 The construction of CT1/DB1, CT2/DB2, FH1, EG1, and FP1 shall be completed no later than February 4, 2011. In the event that construction of any of these units is not completed by the date specified, this Permit shall become null and void with respect to that unit and all units yet to be constructed. The Permit will remain in full force and effect with regard to any units for which construction has been completed by the applicable construction deadline. [40 CFR 52.21(r)(2)]
