Introduction

This narrative is being provided to assist the reader in understanding the content of the attached administrative Title V Permit amendment. Complex issues and unusual items are explained here in simpler terms and/or greater detail than is sometimes possible in the actual permit. This permit amendment is being issued pursuant to: (1) Georgia Air Quality Act, O.C.G.A § 12-9-1, et seq. (2) Georgia Rules for Air Quality Control, Chapter 391-3-1, and (3) Title V of the Clean Air Act Amendments of 1990. Section 391-3-1-.03(10) of the Georgia Rules for Air Quality Control incorporates requirements of Part 70 of Chapter I of Title 40 of the Code of Federal Regulations promulgated pursuant to the Federal Clean Air Act. The primary purpose of this permit amendment is to make administrative changes to the permit. Such administrative changes may include a facility name and/or ownership change and fixing typographical errors. The following narrative is designed to accompany the permit amendment and is presented in the same general order as the permit amendment. It describes the facility receiving the permit amendment, existing permits and the changes being made to the permit. This narrative is intended as an adjunct for the reviewer and to provide information only. It has no legal standing.

II. Proposed Amendment

A. Description of Amendment

This Amendment changes the Emission Units assigned to Equipment Groups in Attachment D to Permit No. 7328-009-0031-V-02-1. Permit Amendment No. 7328-009-0031-V-02-1 authorized the construction of two new aerospace spray booths (i.e., 1S09 – Hand Prime Spray Booth and 1S10 – Robot Prime Spray Booth) and the removal of an existing aerospace spray booth (i.e., 1S04 – Prime Spray Booth). Spray booth 1S08 was inadvertently removed from Equipment Group NAG in lieu of removing spray booth 1S04 from Equipment Group EAG. Permit Amendment No. 3728-009-0031-V-02-2 returns spray booth 1S08 to Equipment Group NAG and removes spray booth 1S04 from Equipment Group EAG.

B. Permit Conditions

No Permit Conditions are modified by this Amendment.

Attachment D is amended by adding spray booth 1S08 to Equipment Group NAG and removing spray booth 1S04 from Equipment Group EAG.
