Introduction

This narrative is being provided to assist the reader in understanding the content of the attached administrative Title V Permit amendment. Complex issues and unusual items are explained here in simpler terms and/or greater detail than is sometimes possible in the actual permit. This permit amendment is being issued pursuant to: (1) Georgia Air Quality Act, O.C.G.A § 12-9-1, et seq. (2) Georgia Rules for Air Quality Control, Chapter 391-3-1, and (3) Title V of the Clean Air Act Amendments of 1990. Section 391-3-1-.03(10) of the Georgia Rules for Air Quality Control incorporates requirements of Part 70 of Chapter I of Title 40 of the Code of Federal Regulations promulgated pursuant to the Federal Clean Air Act. The primary purpose of this permit amendment is to make administrative changes to the permit. Such administrative changes may include a facility name and/or ownership change and fixing typographical errors. The following narrative is designed to accompany the permit amendment and is presented in the same general order as the permit amendment. It describes the facility receiving the permit amendment, existing permits and the changes being made to the permit. This narrative is intended as an adjunct for the reviewer and to provide information only. It has no legal standing.

I. Facility Description

A. Existing Permits

II. Proposed Amendment

A. Description of Amendment

A. Description of Amendment

On February 17, 2004, The Division received a change of owner/operator notification letter from Magellan Terminals Holdings, L. P. The letter stated that Magellan Terminals Holdings, L. P. is the new owner of Conoco, Inc. Sections 1.10 and 13.00 of the Major Source Operating Permit Application (received February 17, 2004) stated that the new facility name is: Magellan Terminals Holdings, L. P. - Doraville II Terminal.

B. Permit Conditions

The new Title V Permit number 5171-089-0121-V-02-0 contains all permit conditions from the initial Title V Permit number 5171-089-0121-V-01-0. The only changes made to the permit are:

1. The first page is changed to reflect the new name and new owner; to indicate that there is an expiration date for this permit (which is 5 years following the issuance date of the Title V permit issued to Conoco, Inc.); and to indicate that the applications on which this new permit are based include Conoco's initial Title V application (TV-9395) and the Owner/Operator Change Administrative Amendment Application (TV-15061).
2. Section 7.12 revokes Permit No. 5171-089-0121-V-01-0 issued to Conoco, Inc.
3. Condition 8.5.1 is slightly amended.
