Introduction

This narrative is being provided to assist the reader in understanding the content of the attached administrative Title V Permit amendment. Complex issues and unusual items are explained here in simpler terms and/or greater detail than is sometimes possible in the actual permit. This permit amendment is being issued pursuant to: (1) Georgia Air Quality Act, O.C.G.A § 12-9-1, et seq. (2) Georgia Rules for Air Quality Control, Chapter 391-3-1, and (3) Title V of the Clean Air Act Amendments of 1990. Section 391-3-1-.03(10) of the Georgia Rules for Air Quality Control incorporates requirements of Part 70 of Chapter I of Title 40 of the Code of Federal Regulations promulgated pursuant to the Federal Clean Air Act. The primary purpose of this permit amendment is to make administrative changes to the permit. Such administrative changes may include a facility name and/or ownership change and fixing typographical errors. The following narrative is designed to accompany the permit amendment and is presented in the same general order as the permit amendment. It describes the facility receiving the permit amendment, existing permits and the changes being made to the permit. This narrative is intended as an adjunct for the reviewer and to provide information only. It has no legal standing.

II. Proposed Amendment

A. Description of Amendment

This Amendment was submitted for an ownership and name change. On March 31, 2007, International Paper Company, Inc. – Augusta Lumber Mill is selling their facility to West Fraser. The new facility name is to be West Fraser – Augusta Lumber Mill.

The new permit specifies that the Title V site that is subject to this permit now consists of only the Augusta Lumber Mill. Until the end of March 2007, the Title V site consisted of this lumber mill and an adjacent paper mill, both of which were then owned by International Paper Company, Inc. Though the lumber mill has been sold to West Fraser, the paper mill continues to be owned by International Paper Company, Inc. These sites are now separate with regard to Title V and New Source Review.

B. Permit Conditions

Condition 1.1 - changed to specify this Title V site now only includes the West Fraser – Augusta Lumber Mill operation.

Condition 1.2 - added International Paper – Augusta Lumber Mill as a previous name for this facility.

Condition 7.12 – revoked previous Permit No. 2421-245-0047-V-02-0, which was issued to International Paper Company, Inc. – Augusta Lumber Mill.

Condition 8.5.1 – removed the sentence: “This Permit shall remain in effect for five (5) years from the effective date.” [Note that the new permit cover page specifies that the permit expires on October 31, 2011, which is 5 years after the issuance of Renewal Title V permit No. 2421-245-0047-V-02-0.]
